SUPERHERO QUIZ - 2025

- PUBLISHED BY QC NITW

VOLUME - 1
THE ORIGIN
(EVERYONE LOVES IT!!)

RULES

- This volume contains 15 issues - 5 Easy, 5 Medium and 5 Hard, in that order.
- This volume is a written round so don't hulk out and yell any answers.
- Each Easy is worth 10, Medium 15 and Hard 20 marks respectively.
- Homelander won't kill you for wrong answers so feel free to guess.
- Long Connect: A series of interconnected images will be shown one by one throughout the quiz. You may guess the answer anytime by calling a host and telling them.
- Is it a bird? Is it a plane? No, it's the QM watching from above, so don't cheat.
- QM's word is final.

SAMPLE QUESTION

The popular American satirical superhero television series “The Boys” is known for its active and humorous social media engagement apart from the regular show. One such recent tweet sparked widespread laughter and debate.

Explain the significance behind the tweet.

(Image on next slide)

Vought International Follow
@VoughtIntl

Growing up, Homelander dreamed of working at his local Vought A Burger. Recently, his wish came true, as Vought shut down a restaurant and staged pre-selected customers, so Homelander could “serve” “people” “food.” Thanks, Homelander, for showing everyone how you’re a true man of the people!

5:46 AM · Oct 23, 2024 · **9M** Views

ANSWER

Poking fun at the presidential campaign of Donald Trump, where he worked in a McDonalds to serve a suspected pre-staged crowd.

READY?

ISSUE 1

Superman's powers in his earliest comics were relatively more grounded in reality compared to his modern portrayal. However, when these comics were adapted into cartoons by Fleischer Studios, one of his abilities appeared awkward while animating, leading producers to modify it to make his animation look more natural and fluid. This change was later incorporated into the comics, becoming one of his most iconic superpowers and cementing him as a symbol of boundless potential.

What was the change in his ability?

ISSUE 2

X, a supervillain, is a direct reference to a concept rooted in the Hindu mythology, symbolizing the unstoppable forces of time, death, and inevitability. His actions, driven by cruelty and scientific manipulation, reflect the dangers of unchecked scientific power.

Years later, during the COVID-19 pandemic, many in rural India, unfamiliar with the virus, began calling it X, associating it with death and destruction—mirroring the villain's destructive intentions.

(Continued on next slide)

CONTINUATION

Fans of the film later drew parallels between the movie's story and the global pandemic, with the superhero's fight echoing the hope people turned to in their battle against the virus.

Identify X and the movie in question.

ISSUE 3

Notable for their colossal commercial success, a staggering $1.1 billion worth of X merchandise was sold worldwide between 1988 and 1992, making them the third best selling toy figures of all time. This massive success was fueled by a complementary animated television series, which debuted in 1987 and went on to enjoy a nearly decade-long run. In 2020, a renowned footballer Y, who was playfully teased by his teammates for bearing a resemblance to one of the series' beloved characters, collaborated with the franchise's creators to promote a youth football tournament in France.

ID X and Y.

ISSUE 4

An English anti-hero, X first appeared in Swamp-Thing #37, created by Alan Moore, Steve Bissette, and, John Totleben. Known for his cynicism, deadpan wit, and constant chain smoking, X is also a passionate humanitarian with a deep desire to make a positive impact. While X's magical abilities were generally considered average in terms of spellcasting proficiency, he relied more on his intelligence, extensive knowledge of the occult, manipulation skills, extensive network of contacts, and cunning nature to trick his opponents.

ID X.

LONG CONNECT (+65/-40)

ISSUE 5

It is not uncommon for super-villains to have self-explanatory names, but X might take the cake, having begun his career promoting toy _____ (10, plural). After he immigrated from Australia to the United States, his life took a sharp U-turn into villainy when he decided to use his skills to steal jewels. X now works alongside some of the most dangerous criminals in the world.

ID X.

ISSUE 6

The 19th issue of Vol.2 of detective comics published in April 2013 saw the origin of one of X's most terrifying and tragic foes. It follows the story of a scientist specializing in the study of _____, who, in view of his noble cause to help deaf people and enable them with good hearing, develops a serum through his research. This goal of his is eventually achieved but with a horrible side effect, turning the users of this serum into hideous ___ like monsters, fittingly dubbed Y, as opposed to X in the comics.

ID X and Y.

ISSUE 1

Savage is a fictional character from the British comic anthology 2000 AD, first appearing in the story "Invasion!" He is a fighter in the Free European Army (FEAR) battling the Volgans, who took over Britain in 1999 during the Eight Hour War.

Along with Punisher, Savage also serves as the inspiration of a popular character X, with initial drafts of X being called Savage. X and Savage both use excessive violence and practical thinking to win the day, which finally led the creator to write that he considers Savage "as X's great-great-grandfather ten times removed, or whatever."

Identify the character X.

ISSUE 8

A critically acclaimed film released in recent times was appreciated for giving distinctive moves to the new characters woven into the plot. An animation lead of the film shared on Tumblr the extensive lengths his team had gone for culturally accurate representation of X. Drawing combat inspiration from the Kalaripayattu art form, the initial sequence of this character did not have the close-up shots of the accessories which appeared unsatisfactory. The team was encouraged to watch a recent pan-Indian film Y, which was then generating a buzz for a notable award, to emulate some "slow-motion stuff" for X's entry into in the film.

ID X and Y.

LONG CONNECT (+55/-30)

ISSUE 9

Trevor Noah is a South African comedian, actor, and television host. Apart from being the host of The Daily Show, an American late-night talk show on Comedy Central, Noah is very much remembered for voicing a character in a superhero movie as well. The meaning of the character's name translates to 'Storyteller' in the native language of the people who live there. Praising the movie Noah said "It was extra special for me because the people speak Xhosa in the movie. There were subtitles, and I was like, I don't need your subtitles! I don't need your subtitles!"

Which character did Noah voice?

ISSUE 10

Shown on the next slide is a panel from the early Teen Titans comics. Being released in the era of civil rights movement and segregation, Teen Titans managed to break down a few societal barriers. But to get it past the censors, the entire panel had to be grayed out.

What was the page depicting actually?

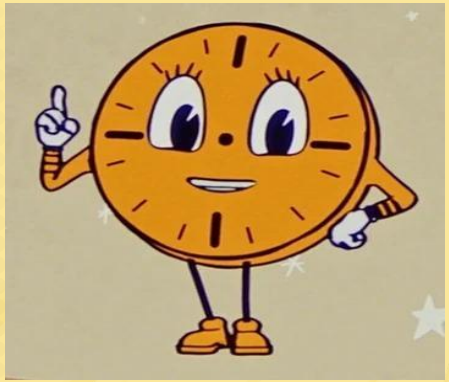

ISSUE 11

ID what connects these MCU characters.

ISSUE 12

Public demonstrations in South Korea often take a hilarious yet clever twist as the demonstrators often show up with flags bearing silly emblems and slogans, occasionally referencing fictional works they admire. This is often carried out as a response to the right-winged and police, who openly interrogate them about the organization fuelling their resistance. As such, in the recent martial law protests, a flag was featured siding with an unexpected character, X, of a recent animated film, who is recognized for standing against authoritarianism and apathy within his species but resents the ruthless methods to enforce his beliefs.

ID X & the film.(Image on next slide)

RISE UP

LONG CONNECT (+45/-25)

ISSUE 13

The Viltrumites from Invincible were designed to be a darker, more cynical take on the Kryptonians, both depicting physically powerful, technologically advanced alien races which underwent catastrophic events that significantly reduced their numbers and individuals playing the role of a savior on Earth. However, fans online noticed even stronger parallels with another fictional alien race which had not only the above similarities but also having barbaric, warrior-centric societies with a drive for planetary conquest.

ID this race.

ISSUE 14

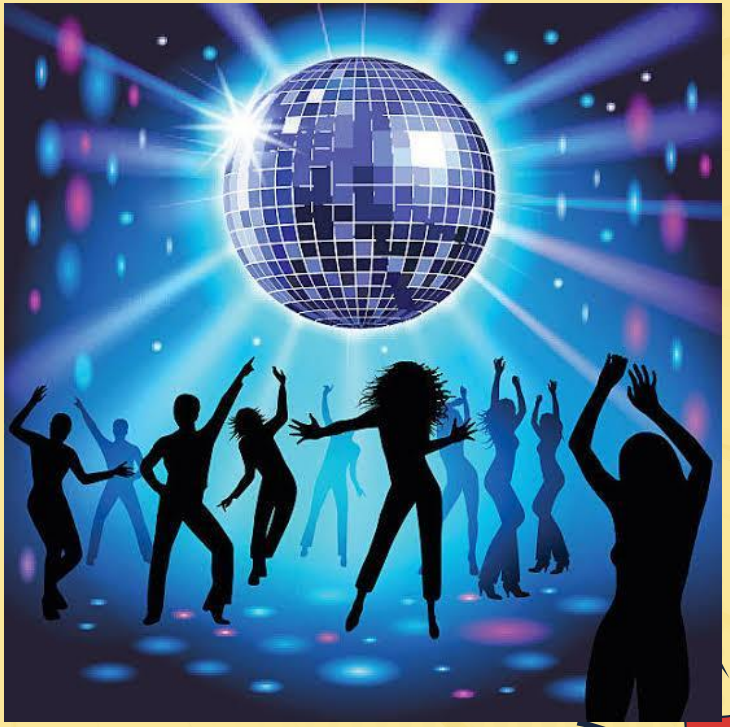

In the March of 1990, Marvel Comics, for the first time, launched a superhero comic book series based off on the movie of the same name that was released back in 1987. Set in a futuristic Detroit, the story circles around a police officer and his eventual transformation into the X (as we know him today). While the initial iterations of this character posed a lot of challenges to the designer/artists, the final design was eventually pulled off with some inspirations from characters such as Space Sheriff Gavan, Iron Man and Judge Dredd.

Who is this X we are talking about?

VOLUME - 2
BADLY EXPLAINED PLOTS
(TIME FOR SOME FUN!)

RULES

- ➔ This volume has 5 issues.
- ➔ Each issue narrates the plot of a superhero movie/series badly… guess which one but don't shout out the answer.
- ➔ Each issue is worth 10 marks. No negatives for this volume either.
- ➔ QM is still watching like Hawkeye so don't ask JARVIS for help.

  Example:

  "Single dad ends world hunger with his rock collection"

  Answer- Avengers: Infinity War

ISSUE 1

Man has no idea who he is and serves a pigeon.

ISSUE 2

Priceless jewellery is needed for a big event, but after worn, it's returned for a full refund.

ISSUE 3

A dude dressed in punk wins multiple staring contests.

LONG CONNECT (+30/-15)

ISSUE 4

A guy selling exclusive pics of himself decides to have an emo phase.

ISSUE 5

Two people go fight against anti-deforestation and anti-global warming activists.

VOLUME - 3
ACROSTIC
(EPILOGUE TIME)

RULES

- ➔ This volume has 6 issues.
- ➔ In acrostic, the first letter of each answer forms a meaningful word.
- ➔ The score for each correct answer will be +10, and as usual no negatives for wrong answers.
- ➔ Whosoever, if their acrostic word be worthy, shall haveth an extra +20 points.
- ➔ With the great power of a QM, comes the great responsibility of preventing you from googling answers.

For example : if the answers in the sequence are :

1. (H)awkeye
2. (E)go the living planet
3. (R)onin
4. Doctor (O)ctopus

The acrostic word is "HERO"

ISSUE 1

Kundalini Yoga is a spiritual practice that uses chanting, breathing, meditation, and poses to activate Kundalini energy, which is said to be located at the base of the spine. The show introduced children to yoga and meditation as the hero X also used this practice to obtain his mystical and supernatural power.

Things changed drastically when the actor playing the role of X was not satisfied with the special effects of the show. Adding to this was a 1999 incident where a 9-year old boy allegedly set himself on fire believing that X would save him, leading to the show eventually ending in 2004.

Identify X.

ISSUE 2

X is a major character from The Boys, whose appearance was based off a then-emerging actor's role in the British sitcom "Spaced" (1999-2001), for their innocent but deterministic look. The actor considered to play the character in live action but missed their opportunity as they were too old to play X by the time Amazon started developing their series. They instead got to play a character with a huge role in X's life.

ID X and the actor.

ISSUE 3

X had achieved an impressive feat when it had become one of the highest grossing international box office take in the world of comic book origin stories, clocking in at $817 million.

However, despite this success, controversy surrounded Y. While the director claimed Y's role was never meant to be expanded in the sequel, and the studio cited creative differences, the fans couldn't help but suspect that Y's public shaming is to blame for the greatly reduced role.

Id X and Y.

LONG CONNECT (+20/-5)

ISSUE 4

Supervillains who have the most powerful abilities or equipment are often considered the most threatening of them all, but that is not always the case, as it is with X, a non-conventional supervillain in the above sense. Fuelled only by vengeance against those who grieved him, X was successful in executing his grand plan solely through cunning and manipulation and is considered one of the most impactful villains of his franchise.

ID X.

ISSUE 5

Saint X was a Christian martyr who lived in the 3rd century. Known as the patron saint of martyrs and breast cancer patients, X was said to be very generous, as if the name, meaning "Good" or "Honorable," reflected X's character all along.

In 1969, the name X was used for a Marvel character. X was created as a rejection of the Comics Code, which prohibited comics from showing horror or occult elements. This naming is hence very ironic, as the character stands in direct opposition to sainthood, and certainly does not live up to the meaning of the name.

Identify the character X.

ISSUE 6

The story of Saint George and the dragon was a famous legend in Christianity. A dragon terrorizes a town and Saint George, a Christian knight arrives and slays the dragon with his lance to rescue the people of the town. This legend was the main inspiration for the final battle in the superhero movie X where the lance used by the protagonist was taken from the statue of Saint George and the dragon present in the battlefield at that time.
